I understand that purchasing a share of John & Erin's Outstanding in Our Field CSA involves sharing both the abundance and the risk of the harvest. I trust that my farmers will do their best to adequately fill my box each week with freshly picked veggie goodness, but I know that weather and pests are unpredictable and there are no guaranteed minimums of any specific crop. I also understand that I am responsible for picking up my box each week in a timely manner, and that I need to be pro-active about making other arrangements if necessary. If I am unable to pick up I will make arrangement to have someone pick up for me or notify the farmers that I won't be picking up that day. See Share descriptions on www.OutstandingCSA.com . CSA share payments are not refundable, if for some reason you decide to stop receiving your share or need to miss some deliveries you may transfer your delivery/share to a friend or family member.
